RE: 2010 Paint Quote

The department has reviewed the paint quotes for 2010. The lowest quote was from J.D. Kem's for a total amount of \$11,844.00 for 1600 gallons of paint. Last years low quote for 1450 gallons was also from J.D. Kem's for \$10,225.00.

The department asks for your approval to accept the low quote for traffic paint as submitted from J.D. Kem's, thank you.
